# Barcelona

For people that are not aware, I am hoping that we will to Barcelona.

Barcelona has a rich cultural heritage and is today an important cultural centre and a major tourist destination, especially for its renowned architecture. It is the capital of Catalonia and the second largest city in Spain.

Barcelona is located on the northeast coast of the Iberian Peninsula, facing the Mediterranean Sea, on a plain approximately 5 km wide limited by the mountain range of Collserola, the Llobregat river to the southwest and the Besòs river to the north. This plain covers an area of 170 km<sup>2</sup> of which 101 km<sup>2</sup> are occupied by the city itself.

Barcelona's cultural roots go back 2000 years. To a greater extent than the rest of Catalonia, where Catalonia's native Catalan is more dominant, Barcelona is a bilingual city: Catalan and Spanish are both official languages and widely spoken. The Catalan spoken in Barcelona, Central Catalan, is the one closest to standard Catalan. Since the arrival of democracy, the Catalan culture (very much repressed during the dictatorship of Franco) has been promoted, both by recovering works from the past and by stimulating the creation of new works. Barcelona is designated as a world-class city by the Globalization and World Cities Study Group and Network.

FC Barcelona is a sports club best known worldwide for its football team, one of the largest in the world and second richest football club in the world. FC Barcelona also has teams in FC Barcelona Regal (basketball), FC Barcelona Handbol (the handball), FC Barcelona Hoquei (roller hockey), FC Barcelona Ice Hockey (ice hockey), FC Barcelona Futsal (futsal) and FC Barcelona Rugby (rugby union), all of them winners of the highest country or/and European competitions. The club's museum is the second most visited in Catalonia. Twice a season, FC Barcelona and cross-town rivals RCD Espanyol contest in the local derby in La Liga, while its basketball section has its own local derby in Liga ACB with nearby Joventut Badalona. Barcelona also has other clubs in lower categories, like CE Europa and UE Sant Andreu.
